

Returning old parts

Important: Please make sure the criteria below are met when returning parts.

Criteria for returning sideshafts:

Reconditioning used sideshafts saves resources and helps protect the environment.

Returning old parts provides many benefits:

- > A scrap value will be paid for all reusable old parts (with a deposit value).
- > Returning old parts solves the problem of disposal at the workshop.

GKN Automotive accepts old parts under the following conditions:

- > The old part must be the same type as the replacement part.
- > Only return old parts in the packaging of the newly purchased shaft.
- > The old shaft must be complete, consisting of profile shafts, joints, connection flanges and any holders supplied by us.

The following old parts therefore cannot be returned:

The shaft is complete but the profile shaft is bent.

The shaft is incomplete – a joint is missing.

The shaft is incomplete – a joint has broken off.

The profile shaft is broken.

You will only be reimbursed for the same number of (or fewer) exchangeable items as the replacement parts (with deposit value) you purchased from GKN Automotive. Also, the returned items must be the same type as the purchased items (same type structure).

Please only use the cardboard packaging of the newly purchased shaft to return old parts.
